Re-Plat – 236 SE Blvd:

Jeff Wherry, 4410 Blaine Rd., New Plymouth, Idaho 83655, approached the commission and explained he owned the lot and there are two homes on the lot. He would like to sell one of these homes and this process would allow him to do so. He explained that most of the lots in the boulevard have already been split.

There was no Public Testimony.

The Commission did not have any concerns at this time. Secretary Danielle Painter did ask about the set-backs for the current homes and mentioned that he should have those exact numbers when he presents to the City Council next month for a public hearing.

Commissioner Tegethoff motioned to adjourn the Public Hearing, seconded by Commissioner Balcer. The voting was unanimous in favor of the motion.

The Public Hearing adjourned at 7:09 pm.
