- a. Ralph Mowder presented information including a copy of a letter from Judge Krogh. Following discussion it was determined that a solution that may work would be for Mr. Mowder to obtain a permit from the city to allow him to park it for 14 days (non-renewable) to work on the mobile (motor) home, for maintenance purposes only and not to be lived in and then remove it from the property. Council also directed that staff write to Judge Krogh and inform her of the council decision. A copy of the letter is to be sent to the Sheriff's department as well. The repairs are to be accomplished during daylight hours only. **Councilman York moved to allow Mr. Mowder the opportunity to obtain a permit from the City of New Plymouth so as to work on the vehicle and then remove it from the property.
