The motion was seconded by Councilwoman Mayer and the voting was unanimous in**

**favor.**

- e. FY 2009-2010 City of New Plymouth Budget Approval – Discussion was held regarding the budget and adoption of the 3% fees as part of the budget this year. The city has forgone a 3% increase several times over the past years. The city monies are being used wisely and carefully. Staff reported that the 3% tax amount is not in the budget as it has been given to the council. The omission was an error by staff. The council determined that the 3% increase should be put in the budget and that another hearing should be held to address those changes. **Councilman Esplin moved to approve the motion without a 3% increase. The motion was seconded by Councilwoman Mayer. Council members Mayer and Esplin voted in favor of the motion. Council members York and Cline voted in opposition to the motion. Mayor Joe Cook voted in opposition to the motion. Councilman Cline moved to continue the meeting to a date certain of 1 September 2009 (Tuesday) at 6:30pm in the New Plymouth City Hall library. Councilman York seconded the motion. Council members York and Cline voted in favor of the motion and Council members Mayer and Esplin voted in opposition to the motion. Mayor Joe Cook voted in favor of the motion. The motion passed with a three in favor and two opposed.**

#### Ordinances & Resolutions

The Mennonite Annexation, Moscrip Rezone and Record Destruction Resolution documents were discussed by staff and it was determined that a notary would be sought for to verify signatures and then the documents will be recorded.

Open Forum – Information, Clean Cities Coalition looking for fuel locations for electric cars. Clint Marchbanks has asked if our city would like to be placed on the Clean Cities website as a place where electric cars could be recharged. Staff reported on the city having a fuel location for clean cities, (electrical outlet for charging) where electric cars could be charged. Staff is to look up the information on Clean Cities Coalition web site for further information.

Mayor and Council Comments – Councilwoman Mayer stated that school starts on Wednesday. The work at the grade school is reported to be very close to being completed. Landscaping still remains to be completed.

Thanks were given to the members of the community, staff, council and others who have done so much work on the budget and other business items.
