CODE SECTION 46-1002 RELATED TO THE PANDEMIC CAUSED BY THE
SPREAD OF COVID-19**

WHEREAS, Payette County Idaho, a political subdivision of the State of Idaho, has found it necessary to approve an Emergency Declaration for Payette County; and

WHEREAS, the City of New Plymouth Idaho, also a political subdivision of the State of Idaho, also finds it necessary to approve an Emergency Declaration for the City of New Plymouth and its citizens; and

WHEREAS, the health and safety of all citizens of the City of New Plymouth is of the upmost importance; and

WHEREAS, the 2019 novel coronavirus (COVID-19) has been identified as a respiratory disease that can result in serious illness or death; and

WHEREAS, the World Health Organization has declared the outbreak of COVID-19 to be a pandemic; and

WHEREAS, cases of COVID-19 have been confirmed in the State of Idaho, and the threat of the further spread of COVID-19 is imminent in the State of Idaho and may be imminent in the City of New Plymouth; and

WHEREAS, the widespread and severe damage to life or property caused by COVID-19 constitutes a “disaster” and an “emergency,” as those terms are defined in Idaho Code § 46-1002; and

WHEREAS, pursuant to Idaho Code § 46-1011, the Mayor may declare a local disaster emergency within the City of New Plymouth, the effect of which is to activate the response and recovery aspects of any and all applicable local or intergovernmental disaster emergency plans and to authorize the furnishing of aid and assistance thereunder; and

WHEREAS, pursuant to Idaho Code § 67-2808(1), the New Plymouth City Council may declare that an emergency exists and that the public interest and necessity demand the immediate expenditure of public money if there is a great public calamity, such as an epidemic, or it is necessary to do emergency work to safeguard life, health, or property, which declaration then authorizes the City of New Plymouth to expend any sum required in the emergency without compliance with formal bidding procedures; and

WHEREAS, the City of New Plymouth is taking action to provide leadership for our community in response to the COVID-19 pandemic, to help reduce the spread of COVID-19, and to encourage our community members and community businesses to do their part to prevent and limit the spread of COVID-19.

WHEREAS, a disaster emergency declaration activates the response and recovery aspects of applicable local or intergovernmental disaster emergency plans for the furnishing of aid and assistance; and

WHEREAS, an emergency declaration must be filed with the Payette County Recorder and “given prompt and general publicity.”

NOW, THEREFORE, I, Rick York, Mayor of the City of New Plymouth, by virtue of the authority vested in me by Idaho Code § 46-1011, with the approval of the New Plymouth City Council, do hereby find and, therefore, declare that:
